Dear Colleagues,

Congratulations to all for your remarkable accomplishments during the past year. I look forward to an even more fruitful and productive year to come.

Please continue to email Paul Kurlansky (pk2245@columbia.edu) or myself (crs2@cumc.columbia.edu) with your confirmed publications, presentations, and grants as we will continue to send this newsletter monthly.

As a reminder, the PubMed links below should work for everyone. The journal-specific links will only work if you have a subscription to that journal or you are connected into the Columbia University library e-journal system.

Thank you,
