# Innovations in Digestive Care

## ■ Overall Goals

This two day course will inform participants of the latest innovations for the management of gastrointestinal diseases and disorders, and will offer a unique opportunity to learn more about the current trends in interventional endoscopic and minimally invasive surgical procedures. Internationally recognized faculty will address issues in current clinical practice, complications and pitfalls of newer technologies, and the evolution of the field. Attendee participation and interaction will be emphasized and facilitated through Q&A sessions, live OR and interactive case presentations and hands-on animal tissue labs.

## ■ Learning Objectives

- Discuss advances in therapeutic options for esophageal motility disorders
- Apply optimal screening for pancreatic cancers
- Define the current and future role of therapeutic echoendoscopy for gastrointestinal disorders
- Explain the role of endoscopic submucosal dissection and ablation for the treatment of gastrointestinal mucosal neoplasm
- Describe advances in endoscopic and minimally invasive treatment of obesity
- Identify the latest advances in imaging of the gastrointestinal tract
- Define the pathophysiology and updated management of diseases affecting the gastrointestinal tract of children including luminal and liver disease, disorders of motility, and inflammatory bowel disease
- Recognize innovations in nursing care for the gastroenterology medicine, surgery and oncology patient

## ■ Target Audience

- Gastroenterologists
- Pediatric Gastroenterologists
- Interventional Endoscopists
- Pediatric Surgeons
- Gastrointestinal Surgeons
- Nurses
- General Surgeons
- Physician Assistants
- Colon and Rectal Surgeons
- Thoracic Surgeons

## ■ Endorsements

This course meets the guidelines as established in the “Framework for Post-Residency Surgical Education and Training” and is endorsed by the Society of American Gastrointestinal Endoscopic Surgeons (SAGES). This course is also endorsed by the American College of Gastroenterology (ACG), American Gastroenterological Association (AGA) and the American Society for Gastrointestinal Endoscopy (ASGE).

## ■ Accreditation

The College of Physicians and Surgeons of Columbia University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

## ■ AMA Credit Designation Statement

The College of Physicians and Surgeons designates this live activity for a maximum of 13.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses and physician assistants are encouraged to check with their accrediting organization to ensure they accept *AMA PRA Category 1 Credits™*.

Break down of *AMA PRA Category 1 Credits™*:

### Thursday, April 16, 2015

Session 1 = 2.0

Session 2 = 2.0

Session 3 = 3.0

Hands-on Animal Tissue Labs = 3.0

### Friday, April 17, 2015

Session 4 = 2.25

Session 5 = 3.75

Pediatric Session = 6.0

Nursing Session = 6.0

Please refer to the program agenda for credit allocation.

## ■ Support

We expect support for this program through grants from pharmaceutical and medical device companies.
