

## Ongoing Clinical Trials

<b>Trial Name</b>	<b>Valve Disease</b>	<b>Company</b>	<b>Purpose</b>	<b>Device Description</b>	<b>Image</b>	<b>Leadership</b>
<i>Aortic Valve Disease</i>						
WATCH-TAVR Trial	Aortic Stenosis+Atrial Fibrillation	Boston Scientific	Stroke prevention	TAVR + Watchman Left Atrial Occlusion device		Site PI: Susheel Kodali
JenaValve	Aortic Regurgitation	JenaValve	Transcatheter Aortic valve replacement in high risk patients	Transfemoral TAVR that captures leaflets		National PI: Torsten Vahl Site PI: Isaac George, Susheel Kodali
UNLOAD	Aortic Stenosis	Edwards Lifesciences	Transcatheter Aortic valve replacement in patients with a reduced ejection fraction and moderate aortic stenosis	Transfemoral TAVR		Site PI: Susheel Kodali
Acurate Neo	Aortic Stenosis	Boston Scientific	Transcatheter Aortic Valve Replacement in Low and Intermediate Risk Patients	Transfemoral TAVR		Site PI: Isaac George, Tamim Nazif

Portico Navitor	Aortic Stenosis	Abbott SJM	Transcatheter Aortic Valve Replacement in high risk patients	Transfemoral TAVR		Site PI: Susheel Kodali, Isaac George
<i>Mitral Valve</i>						
Intrepid	Mitral Regurgitation	Medtronic	Transcatheter Mitral valve Replacement in high risk surgical patients	Transapical catheter valve		National Co-PI: Martin Leon Site PI: Isaac George, Martin Leon
GDS Accucinch- HF rEF	Heart Failure	Ancora	Left ventricular support system to prevent heart dilatation	Transcatheter approach with ventricular hooks and band		Site PI: Susheel Kodali
REPAIR-MR	Mitral Regurgitation in degenerative disease	Abbott	Transcatheter mitral valve repair vs surgery in intermediate risk patients	Transseptal approach using clip applied to both anterior and posterior mitral valve leaflets vs open surgical repair		Site PI: Isaac George, Susheel Kodali
CLASP IID: PASCAL	Mitral Regurgitation	Edwards Lifesciences	Transcatheter Mitral Valve Repair	Transseptal clip applied to both anterior and posterior leaflets independently		Site PI: Isaac George, Susheel Kodali

CLASP IID: PASCAL	Mitral Regurgitation	Edwards Lifesciences	Transcatheter Mitral Valve Repair	Transseptal clip applied to both anterior and posterior leaflets independently		Site PI: Isaac George, Susheel Kodali
<i>Tricuspid Valve</i>						
TriSol	Tricuspid Regurgitation	Trisol	Transcatheter Tricuspid Valve Replacement	Bileaflet valve delivered from transcatheter transvenous route		National PI: Isaac George Site PI: Susheel Kodali
Tric Valve	Tricuspid Regurgitation	P&F	Bicavalvular valves to prevent venous congestion in high-risk patients with severe TR	Transcatheter, one way valves in the SVC and IVC		Site PI: Isaac George, Susheel Kodali
Triluminate	Tricuspid Regurgitation	Abbott	Transcatheter tricuspid valve repair in high risk patients	Transcatheter approach using clip applied to tricuspid valve leaflets		Site PI: Susheel Kodali
CLASP-TR	Tricuspid Regurgitation	Edwards Lifesciences	Transcatheter Tricuspid Valve Repair	Transcatheter approach to clip applied to tricuspid valve leaflets		National PI: Martin Leon Site PI: Susheel Kodali, Isaac George
Evoque	Tricuspid Regurgitation	Edwards Lifesciences	Transcatheter Tricuspid Valve Replacement	Transcatheter Tricuspid Valve Replacement		National PI: Susheel Kodali, Rebecca Hahn Site PI: Isaac George, Susheel Kodali

Cardioband	Mitral Regurgitation					Site PI: Susheel Kodali
CLASP IID: PASCAL	Mitral Regurgitation	Edwards Lifesciences	Transcatheter Mitral Valve Repair	Transseptal clip applied to both anterior and posterior leaflets independently		Site PI: Isaac George, Susheel Kodali
